Our new Hilton Head Weekend format will be much more active, a much less formal get-together, NO coats & ties; casual dress for all events. More emphasis on spending time with our active duty trooper guests (from 2/505). There will be boats for fishing in our bountiful waters, a party boat excursion for those who want to be on the water but don't care to fish, a cookout (maybe catch of the day? maybe surf & turf) instead of a banquet.

FREE transportation wherever our excursion schedule takes us. A hospitality suite to encourage fellowship and the telling of old war stories (some actually true!!). A FREE self-serve bar with beer, wine, soft drinks, and plentiful snacks.
